Instructions

STEP I

In order to assist us in processing the claim, the Beneficiary's Statement on Side 1 should be completed by the person(s) to whom the insurance is payable. Where there is more than one beneficiary, all may sign one statement, or a separate form will be furnished for each if desired. Answering all questions will help avoid processing delays. If any questions are left unanswered, the form may be returned for additional information.

When the policy is payable to the estate of the deceased, the statement should be completed by the executor of the estate or administrator, and a certificate showing the appointment of the administrator or executor of the estate should be furnished. If no one has been appointed, contact your attorney or the courthouse in the county where the insured lived to determine the required process.

When the policy is payable to a minor, intellectually disabled, or incapacitated person, the statement should be completed by a guardian, and a certificate showing the appointment of the guardian should be furnished. Please consult your attorney or the courthouse in the county where the minor, intellectually disabled, or incapacitated person resides to determine what process is required.

When the beneficiary named in the policy is deceased, a certified copy of the death certificate of any deceased beneficiary should be furnished. The Beneficiary's Statement must be completed by the person entitled to the proceeds according to the policy terms.

STEP II

The **PHYSICIAN'S STATEMENT** on Side 2 should be completed by the physician attending the deceased during the last illness or by the deceased's personal physician.

STEP III

A CERTIFIED DEATH CERTIFICATE must be furnished.

Returning the original policy to us, if available, will help expedite the claim process. If you do not have the original, please indicate on the claim form. We do not need the policy returned on a dependent unless the policy is in the dependent's name.

Forwarding any electronic or paper media coverage of the death or burial could help expedite the claim process.
